

RAC DEALER NETWORK BREAKDOWN COVER OVERVIEW

RAC
Approved Dealer
NETWORK

Vehicle based policy:

This covers the vehicle registered on the policy, which has to be the vehicle purchased from the dealer. The vehicle is covered whoever is driving.

Roadside and Recovery

If your vehicle breaks down within the UK more than ¼ mile from your home, we will send help to repair the vehicle at the roadside. This could be a permanent or temporary repair. If we are unable to repair the vehicle at the roadside, we will recover the vehicle and passengers to:

- › an approved garage; or
- › another local garage; or
- › a single destination of your choice within the UK.

A maximum recovery of 10 miles for a tyre fault, where the vehicle is not carrying a serviceable spare tyre, the tyre repair equipment provided by the vehicle's manufacturer or a locking wheel nut key.

Not Covered

- › Any breakdowns at, or within ¼ mile from your home address
- › Any breakdowns that happen prior to the policy purchase or activation
- › Recovery beyond 10 miles, for breakdowns that happen before the first 24 hours
- › The cost of any parts
- › The fitting of parts, including batteries, supplied by anyone other than us
- › Any breakdown resulting from a fault that we have previously attended and:
 - the original fault has not been properly repaired; or
 - you have not followed our advice after a temporary repair;
- › Recovery for caravans or trailers if your caravan or trailer breaks down
- › A second recovery owing to the intended original destination being closed or inaccessible

Maximum of 5 call outs per year.
